

Plainte de brouillage radioélectrique

As part of its mandate relating to the monitoring of the spectrum, the National Telecommunications Regulatory Agency (ANRT) files all radio interference complaints referred to it by authorized users.

[Role of the ANRT](#)

In accordance with Law No. 24-96 postal and telecommunications services, the National Telecommunications Regulatory Agency is responsible, on behalf of the state, for managing and monitoring the radio spectrum. As such, it allocates frequencies related to operating public telecommunications networks licenses and independent radio networks permits. In this context, it reviews interference complaints referred to it by authorized users. Upon discovery of interference, users of the radio spectrum must immediately cease broadcasting and to refer to the ANRT at the following addresses:

- Centre d'affaires, Bd. Ar-Riad, Hay Riad, BP. 2939, Rabat 10.100, Maroc.
- Phone : 05 37 71 85 01
- Fax : 05 37 71 85 47
- or using the form
