

The 11th annual meeting of the Arab Network of Telecommunications and Information Technology Regulators (AREGNET) was held on May 27th and 28th in Rabat and attended by representatives from 13 countries including Morocco.

The event was marked by a ceremony to hand over the presidency of AREGNET from the Egyptian telecommunications regulator to the National Agency of Telecommunications Regulation (ANRT), who will chair the proceedings for the next year in accordance with the networks' statutes.
