

The Arab Spectrum Management Group (ASMG) has organized its 23rd meeting in Marrakech from 07 to 11 April 2018. This meeting, hosted by ANRT, considers the preparation of the World Radio communication Conference 2019 (CMR-19) scheduled for October-November 2019 and aims at preparing and coordinating common positions between Arab countries on the various items on the agenda of the CMR-19.
