

A delegation of the National Agency for Information and Communication Technologies Regulation (ANRTIC) of the Union of Comoros paid a visit to ANRT from November 3rd to 17th for a training session.

This session is the last of three held under the framework of the implementation of the Memorandum of Understanding signed June 11th 2012 between ANRT and ANRTIC. It focuses on the planning and redevelopment of the spectrum, technical control, and the approval of radio equipment for the following delegation members:

- Said Ahamada MOUINOU, Head of Engineering Department;
- Mohamed MASSOUNDI, and allocation agent;
- Ouldada MOUKTAR Mohamed, Manager Comores Telecom.

Two other sessions were held prior. The first was from September 6th to 15th 2012 on the interconnection of telecommunications networks and the approval of fixed and mobile interconnection networks between various providers. In attendance were:

- Taoufik MBAE, Technical Director (ANRTIC);
- Amir Eddine YOUSSEF, technical manager (ANRTIC);
- Chabani MOUMINI, technical manager (Comores Telecom).

The second session went from October 1st to 14th 2010, for a training session and focused on the approval of the operators' telecommunications rates, Universal Service, and the Market Observatory. The delegation consisted of:

- Abdoulwahab SAID MOHAMED, Head of the Economics and Universal Service Department (ANRTIC);
- Razak TOURQUI, Economics and Universal Service Department Manager (ANRTIC);
- Himaya BAKAR, Manager (Comores Télécom).
