

Within the framework of its international cooperation, from October 29th to November 2nd 2012, ANRT welcomed three managers from Niger's Multisectoral Regulatory Authority (ARTP), who came to inquire about ANRT's experience with the effects of electromagnetic fields. This delegation consisted of:

- FATI MOUSSA, Director of Regulation;
- SALOU ABDOU, Sectoral Telecommunications Director;
- MASSAOUDOU TAHIROU, Radio spectrum agent.

ANRT and ARM of Niger are linked by a cooperation protocol signed on February 28th 2012.
