

The National Administration Platform : [www.idarati.ma](http://www.idarati.ma) is launched. This new platform aims to simplify administrative processes and procedures for citizens and companies.

In its first phase of launch, the platform offers an informational space. It will be the official national reference for enquiring about the various administrative procedures that citizens or companies are required to undertake with public institutions and local authorities.

The ANRT's procedures are listed on this link (<https://www.idarati.ma/informationnel/ar/thematique/3cfa4b6d-b6a3-4065-af5c-5b95e46b3d7a>).
