

The ANRT and the Telecommunications Regulatory Authority of the Sultanate of Oman signed, on Friday, March 1st, 2019, a memorandum of understanding for the coordination and exchange of regulatory experiences between the two institutions.

This signing took place during a visit to Morocco by a delegation of the Omani regulator (www.tra.gov.om), chaired by its President Dr. Mohammed Bin Hamad Al-Rumhi and in the presence of several officials of the said Authority.
