

By the law 29-06, amending and supplementing law 24-96 on postal and telecommunications services, ANRT is in charge of managing internet domain names “.ma”.

Within the framework of the creation of new extensions countries (ccTLD Country Code Top Level Domain) in non-Latin characters (Arabic, Chinese, Russian ...), ICANN approved in 2011 the delegation request submitted by the ANRT for managing the ccTLD Arabic "المغرب".
